

WILLIAMKERY GADDAM

Policy Researcher · International Law & Governance, Migration & Refugee Policy, Evidence-Based Research

williamkery786@gmail.com · (+91) 7842762875 · [LinkedIn](#) · Commonwealth Scholar

Incoming MSc Public Policy, University College London (Sept 2026) · Available immediately for remote research work

PROFILE

Policy researcher with hands-on experience reviewing international legal and policy frameworks, including applying UNHCR Durable Solutions principles to migration governance in a conflict-affected region. Master's in Political Science (Gold Medal, highest-ranked graduate) with coursework in International Organisations, International Relations theory, and Contemporary Global Issues. Track record of drafting policy briefs used in legislative debates, synthesising academic evidence and government data into actionable recommendations, and publishing internationally focused analysis on institutional design and constitutional reform. Detail-oriented, proactive, and experienced in remote, deadline-driven research collaboration. Incoming Commonwealth Scholar (MSc Public Policy, UCL).

RESEARCH INTERESTS

International law and global governance · Migration, displacement and refugee protection · Peacebuilding, conflict and institutional design · Civic participation and public discourse · Evidence-informed policymaking and policy evaluation

RESEARCH & PROFESSIONAL EXPERIENCE

Policy Researcher — Office of Waheed Ur Rehman Parra, MLA

Feb 2025 – Dec 2025

Jammu & Kashmir Legislative Assembly, India

- Reviewed international legal and policy frameworks — including UNHCR Durable Solutions principles — and synthesised them with academic evidence and government data into 3 policy briefs used in legislative debates on migration governance and public service delivery.
- Contributed to a senior fellow-led analysis of a 10,000-row migration dataset from conflict-affected districts (R and Stata), assisting with data preparation and interpretation of findings on displacement drivers and education access.
- Conducted comparative budget analysis of education funding in conflict regions, proposing equity-oriented allocation strategies for policymakers.

Research Assistant — Centre for Women's Studies

Jan 2026 – Jun 2026

Acharya Nagarjuna University, Guntur, India — under the guidance of Prof. Challapalli Swaroopa Rani

- Supported a UGC-funded project examining how mining-led development is reshaping tribal women's labour and livelihoods in the Eastern Ghats — contributing literature reviews, evidence synthesis from primary and secondary sources, and drafting support on rights, livelihoods and governance questions.
- Played a key role in securing the project's grant from the University Grants Commission (UGC), India — designed the proposal's methodology section and prepared the budget and supporting documentation.

Project Assistant — Participatory Environmental Governance

Sep 2024 – Feb 2025

Oakwood Events Management, Pune, India

- Led community-based ecological restoration initiatives across 3 villages, coordinating with local authorities and mobilising 50 resident volunteers to strengthen citizen participation in local decision-making.
- Co-designed community monitoring systems for groundwater and soil health with residents, generating citizen-informed recommendations adopted at the block development level.

Educator

Aug 2023 – Aug 2024

Visista EM High School, Guntur, India

- Designed and delivered inclusive teaching modules that improved average student academic performance by 60% within one academic year; established literacy programmes raising English proficiency for 50% of enrolled students.

Assistant Programme Coordinator (Part-time)

May 2022 – Apr 2023

National Service Scheme, India

- Trained 25+ volunteers in grassroots democratic mobilisation among marginalised Dalit communities, broadening citizen participation in public welfare programmes and local decision-making.

EDUCATION

Master of Arts in Political Science

Nov 2021 – May 2023

Acharya Nagarjuna University, Guntur, India — Gold Medal (highest-ranked graduate) · First Class with Distinction · CGPA: 8.03/10

- **Thesis:** “The Measurement Gap: Efficiency vs. Equity in PM-KISAN Direct Benefit Transfer Evaluation” — quantitative evaluation of welfare targeting failures affecting 110M+ rural households, proposing equity-focused improvements to evidence-based programme design.
- **Relevant coursework:** International Organisations & Global Issues · Approaches & Theory in International Relations · Foreign Policy of India · Research Methodology · Comparative Politics · Political Sociology

Bachelor of Arts in Political Science (Minors: Economics, History)

Jun 2018 – Aug 2021

Acharya Nagarjuna University, Guntur, India — CGPA: 8.64/10 · Top 1% of cohort · Prathiba Puraskar Award

- **Relevant coursework:** International Relations · Contemporary Global Issues · Principles of Public Administration · History of Modern Europe · Economic Development & Indian Economy
