

WILLIAMKERY GADDAM

Public Policy Analyst · Quantitative Policy Researcher

williamkery786@gmail.com · (+91) 7842762875 · [LinkedIn](#)

PROFILE

Public policy researcher working at the intersection of legislative practice and applied research. I prepare policy briefs and analytical reports for legislative use, have authored peer-reviewed research and published commentary, and presented at national academic conferences. I hold a Master's in Political Science, completed with distinction and a Gold Medal as the highest-ranked graduate. My work centres on quantitative policy analysis, welfare programme evaluation, and evidence-based interventions across migration, education, and social protection.

EDUCATION

Master of Arts in Political Science

Nov 2021 – May 2023

Acharya Nagarjuna University, Guntur, India

Gold Medal (highest-ranked graduate) · First Class with Distinction · CGPA: 8.03/10

Thesis: “The Measurement Gap: Efficiency vs. Equity in PM-KISAN Direct Benefit Transfer Evaluation”, analysed welfare targeting failures affecting 110M+ rural households; proposed equity-focused policy improvements.

Relevant Coursework: International Organisations & Global Issues · Approaches & Theory in International Relations · Foreign Policy of India · Comparative Politics · Diplomacy · Political Sociology · Research Methodology

Majors: Political Science · **Minors:** Economics, History

Relevant Coursework: International Relations · Contemporary Global Issues · History of Modern Europe · Principles of Public Administration · Indian and Andhra Pradesh Economy · Economic Development & Indian Economy

RESEARCH & PROFESSIONAL EXPERIENCE

Policy Researcher

Feb 2025 – Present

Office of Waheed Ur Rehman Parra, MLA — Jammu & Kashmir Legislative Assembly, India

- Analysed a 10,000-row dataset on migration in conflict-affected districts using R and Stata, identifying structural drivers of displacement and disruptions in education access.
- Produced 3 policy briefs used in legislative debates on migration governance and public service delivery, applying UNHCR Durable Solutions principles to policy recommendations.
- Conducted comparative budget analysis of education funding in conflict regions, proposing equity-oriented allocation strategies for policymakers.

Project Assistant — Environmental Governance

Sep 2024 – Feb 2025

Oakwood Events Management, Pune, India

- Led ecological restoration initiatives across 3 villages, coordinating with local authorities and mobilising 50 volunteers toward sustainable land-use outcomes.
- Developed community monitoring systems for groundwater and soil health, generating recommendations adopted at the block development level.

Educator

Aug 2023 – Aug 2024

Visista EM High School, Guntur, India

- Designed inclusive teaching modules that improved average student academic performance by 60% within one academic year; established literacy programmes raising English proficiency for 50% of enrolled students.

Assistant Programme Coordinator (Part-time)

May 2022 – Apr 2023

National Service Scheme, India

- Trained 25+ volunteers in grassroots mobilisation among marginalised Dalit communities, contributing to increased participation in public welfare programmes.
